

CyberARTS Application

2021

Important Dates

1

Wednesday, November 24, 2020

Virtual CyberARTS Information Night
@ 6:30 p.m.

2

Friday, January 15, 2021

Completed CyberARTS Application
uploaded to the Google form.

3

Please Note:

Where applications exceed
available spaces, interviews may
be part of the selection process.

Imagine. Inspire. Innovate.

Applications for CyberARTS look different this year. Due to the current situation, interviews will defer to next year. All applications and portfolio submissions will be submitted online to enter the program in fall 2021. Only where applications exceed available spaces, online interviews may be part of the selection process.

CyberARTS at Don Mills C.I. is a multi-disciplinary, integrated four-year art and technology program. Our integrated, project-based curriculum develops artistic and academic skills while encouraging self-esteem, independent work habits and creative/critical thinking. CyberARTS is delivered in a project-based, student-driven, enriched environment that allows students to integrate artistic expression and knowledge of design with technical experience. We accomplish this by combining the Fine Arts with Computer Technology and Communication Media.

CyberARTS – Don Mills C.I.
15 The Donway East, North York, M3C 1X6

Release of Information Form

TDSB is committed to creating an equitable school system where the achievement and well-being of every student is fostered through rich, culturally authentic learning experiences in diverse, accepting environments where all are included, every voice is heard, and every experience is honoured.

TDSB strives to meet the accommodation needs of persons with disabilities. Applicants are encouraged to make their needs for accommodation known in advance during the application process.

RELEASE OF INFORMATION FORM

Please include the signed RELEASE OF INFORMATION FORM with your application package. Your parent/guardians permission for the release of this information to the school is necessary before we can process this application.
